

Carlinville Bee City Meeting Agenda

April 28, 2021

Yea, We're Doing It!

Report on plans for the Demuzio Memorial Garden at City Hall (B Link)

Yea, We Did It!!

Report on our Bee-utiful and Tree-mendous Collaborative Arbor Day and Earth Week Celebration and Activities (M Tinder and Others)

Bit O'Honey

Wah! We've been missing Bits of Honey regarding some wonderful Bee ideas, projects, possible field trips and educational information from our volunteers and visitors.

- Let's Brainstorm a list of topics that we'd like to hear about - and folks who could talk on them at each meeting. (It will give us more good info on pollinators and could help grow our Speaker's Bureau.)

Swarming

- An overview of our Bee City Mission (with goals and possible projects) for 2021 to meet certification (M Tinder/B Link)

The Buzz from Bee City

- What's happening in Carlinville (M Tinder)

The Buzz from Bee Campus

- What's happening at Blackburn (K Ruitter)
- More info on the "Tree Analysis" software program and training

Other To Do
