

September 3, 2019

Carlinville Bee City Organizational Meeting

## **Agenda**

Welcome and Introductions

- Why we are here
- What is a Bee City

How did this all come about

Bee Campus at Blackburn

- History of bee study at Blackburn
- The path to a Bee Campus
- Notable events, past and future

Bee City Application requirements and process

- Develop a sustaining committee
- Coordinate with Carlinville City Council devoted to the sustaining committee's agenda
- Create a resolution to be passed by the City Council affirming support of the requirements for Bee City designation
- Develop an application that outlines Carlinville's proposed activities relevant to Bee City designation
- Send a draft of the resolution and application to Bee City USA Headquarters for feedback and approval
- Submit the finalized application and resolution to Carlinville City Council for approval.
- Finalize Bee City USA designation with fee payment to Bee City USA Headquarters

Implementation

- Install and maintain at least one Bee City Street sign
- Maintain a webpage on the City's website with Bee City information
- Host and promote pollinator awareness events/activities
- Create and disseminate a local native plant list
- Create a pest management plan
- Develop pollinator-friendly habitats
