Volunteers in and around Carlinville have been working hard on the local environment to make our area a better place for bees, birds, pollinators – and humans!

Join us in a virtual meeting as representatives from the **City of Carlinville** Bee City USA, Tree City USA, **Macoupin County Master Gardeners** and **Blackburn College** Bee Campus USA, Tree Campus USA and Blackburn's Bee Program share their activities and achievements from 2020.

Sponsored by Blackburn College Sustainability.
