Requirements and Next Steps for Bee City - Carlinville

- ❖ Create and disseminate a local native plant list
- ❖ Set up a link from the city's website to a live Bee City-Carlinville site
- ❖ Create a pest management plan
- ❖ Install and maintain a Bee City street sign
- ❖ Celebrate/Host/Promote at least one pollinator awareness event
- ❖ Develop pollinator-friendly habitats
- ❖ With the City, create/establish policies that improve practices as they relate to pollinator conservation and pollinator-friendly habitats
- ❖ Maintain an archive that summarizes Bee City, Carlinville achievements in preparation for annual renewal of Bee City status.

Discussion

- ❖ How would we like to organize Bee City, Carlinville meetings?
